

Bachelor of Sport and Exercise Management

Become a sport and exercise manager. Sport and exercise management is a professional field dedicated to the business and management of sport and exercise. Professionals apply their expertise to jobs in sport, exercise management, athlete management, corporate health and fitness, health promotion, sport marketing, event management and recreation.

When you complete this course with the appropriate electives, you can become eligible to apply for graduate entry courses in Physiotherapy. A Bachelor of Sport and Exercise Management can also prepare you to undertake a Master of High Performance Sport at UTS.

Learn from the best

Our leading academic experts are internationally recognised and well-connected researchers in the sports industry.

Industry-connected

At UTS, you'll benefit from our industry connections with organisations such as the Australian Football League (AFL), Sydney Swans, the National Rugby League (NRL), Rugby Australia and Cricket NSW.

Purpose-built spaces

Study in state-of-the-art laboratories and access high-tech sport science facilities and equipment at our Moore Park precinct.

uts.edu.au/moore-park

Practice-focused

A 140-hour professional placement within your realm of interest is a vital part of the degree. You'll develop industry contacts and gain practical experience in establishments such as:

- Community and high performance sport organisations
- School sporting departments
- Sporting venues and facilities

A career for life

You'll gain the knowledge and skills to manage sport and exercise programs, professional sporting teams, and large sporting venues and facilities. Your career may take you to corporate health and fitness, athlete management, fitness consulting, and sports coaching, or marketing and development.

"I like to help others in the best way that I can, whether that is in a clinical health setting or in an elite sport setting. Using my knowledge to assist someone who is recovering from injury or stroke, or working with athletes to help them achieve their goals is what I am passionate about."

Jesse Maugeri
Bachelor of Sport and
Exercise Management

Applying to UTS

How to apply

Ready to apply for a UTS degree? Start by choosing your preferred course and checking the eligibility requirements to make sure it's a good fit. Next, submit your application via the Universities Admissions Centre – you can list up to five course preferences, so make sure you use them all!

🔗 uts.edu.au/ug-apply

Admissions schemes

Boost your chances of receiving an offer with admission schemes like our Early Entry Program or Schools Recommendation Scheme. We'll consider your ATAR plus criteria like your academic performance in certain HSC subjects, identification as an Aboriginal and/or Torres Strait Islander, and any disadvantageous circumstances that you've experienced.

🔗 uts.edu.au/admission-schemes

Admission pathways

Our admission pathways provide an alternative route into your preferred UTS course – from internal programs (e.g. Jumbunna Pathways Program) to external options (e.g. STAT, limited ATARs or vocational diplomas), there's more than one way to get into UTS.

🔗 uts.edu.au/admission-pathways

English language requirements

There are English language proficiency requirements for all courses. If you have studied overseas you may need to demonstrate your English proficiency.

Fees and financial assistance

As a domestic student, you'll study in a Commonwealth Supported Place – the Australian Government will fund some of the cost of your study, while you'll pay a student contribution and other fees direct to UTS. The good news? The HECS-HELP loan scheme lets you defer the cost of your student contribution until you reach a set income threshold. What's more, the UTS Financial Assistance Service can help you get on top of your personal finances, giving you more time to focus on study.
